

Please join us at a Freestyle Clinic!

Dates: March 28th - 30th

Location: Proud Meadows, 4172 FM 1446,
Waxahachie, TX

Our clinician will be Cynthia Collins of Luna Tunes Freestyles. Cynthia is an award winning freestyle designer and her client list has included Hilda Gurney and Whit Whatkins.

The format of the clinic will be a lecture Friday night(28 March) with rides Saturday and Sunday (29-30 March). Please keep in mind that this is not a clinic on how to better train your horse.

Cynthia can work with riders on different aspects of riding to music. Whether you are interested in developing a freestyle, working on a freestyle you've already developed or just riding your horse to music, Cynthia can work with you.

If you choose to have Cynthia choreograph a freestyle for you after the clinic, she will give you a discount for your participation in this clinic.
